Why come to the 2011 Satellite Meeting of the ISBNPA in Queenstown, New Zealand?

- With a limited number of delegates and a programme that encourages social and networking opportunities, the satellite meeting provides an ideal opportunity for in-depth interaction and sharing of innovative research ideas and expertise with international colleagues.
- Explore picturesque Queenstown - Only a short flight from Melbourne, nestled on the crystal clear Lake Wakatipu and surrounded by the magnificent Southern Alps, Queenstown is New Zealand's premier resort for adventure and snow sports. Enjoy the best that Queenstown has to offer, whether it be skiing or snowboarding, mountain biking or paragliding, shopping or wining and dining, or visiting nearby Arrowtown or Glenorchy.
- Stay on after the satellite meeting for the Queenstown Festival, or take the opportunity to travel elsewhere in New Zealand and discover the natural beauty that awaits you.
